## NOTABLE PERSONAL PROJECTS

**VOIP In-browser Client | [github.com/nckdhl/vanilla-client-node](https://github.com/nckdhl/vanilla-client-node)**

Node.js Express, Twilio Programmable Voice API, Javascript, HTML&CSS, Heroku, Netlify

- Successfully built and deployed a full-stack web app that uses Twilio's Voice API to make and receive phone calls in the browser.

**Portfolio Website | [nckdhl.com](https://nckdhl.com)**

React.js, Netlify, HTML&CSS

- Successfully built, and deployed to Netlify, a SPA using React.js.

## EXPERIENCE

**Online Store Manager | Peter & Pat Seifenblasen – Berlin, Germany / Remote**

*January 2015 – January 2020*

- Managed successful online store with thousands of customers from across Europe each year.
- Developed excellent ability to rapidly troubleshoot by resolving bugs in live website.
- Redesigned Wordpress/Woocommerce site to achieve improved order conversion rate.
- Improved understanding of modern website production by implementing version control with Git as well as development, staging and production environments for website.

### **Field Service Technician | Bartell Global – Mississauga, ON**

*September 2016 – December 2018*

- Completed critical on-site repairs of specialized surface preparation equipment.
- Used technical knowledge to diagnose and fix electrical problems with industrial drives.
- Maintained strong working relationship with key accounts, ensuring they received exceptional service and workmanship.
- Collaborated with international engineering and sales teams to identify technical issues, drive new equipment sales and provide after-sales support.

### **Dairy Herdsman | Ökohof Stolze Kuh – Stolzenhagen, Germany**

*August 2015 – September 2016*

- Strengthened small team of farmers who founded a first-of-its-kind organic dairy farm in eastern Germany, by contributing my agricultural skills and holistic management experience.
- Showcased my ability to perform under pressure, work well in a small team and prioritize tasks while caring for a herd of over 100+ cattle.

### **Livestock Operations Manager | Whole Circle Farm – Acton, ON**

*December 2013 - December 2014*

- Responsible for the holistic management of all livestock production at Whole Circle.
- Succeeded in completely modernizing the dairy infrastructure and practices, leading to improved animal wellbeing and increased production.
- Gained skills in staff training by overseeing farm apprentices and mentoring successor.

### **Farmer Apprentice | Whole Circle Farm – Acton, ON**

*January 2013 – December 2013*

- Made valuable contributions to farm business and community as apprentice.

### **Farmer Apprentice | Kirchhof Agrar KG – Oberellenbach, Germany**

*August 2012 – December 2012*

- Key member of team at influential ecological dairy farm.

### **Shift Supervisor | Berliner Stadtmission Homeless Shelter – Berlin, Germany**

*January 2012 – April 2012*

- Responsible for maintaining a peaceful atmosphere in a facility with over 100 homeless guests, de-escalating conflicts, delegating tasks to kitchen, security and support staff.

### **Support Worker | Berliner Stadtmission Halfway House – Berlin, Germany**

*September 2011 – August 2012*

- Demonstrated ability to communicate and connect by building lasting relationships with marginalized men with recurring substance abuse problems.

## **ACCOMPLISHMENTS**

- Achieved written and spoken fluency in the German language.
- Co-founder and organizer of community garden for halfway house and refugee center at Berliner Stadtmission. (2012)
- Volunteer at homeless shelter at Berliner Stadtmission. (November 2010 – March 2011)
- Volunteer at halfway house at Berliner Stadtmission. (April – June 2011)
